Honorable John J. Sparkman, Chairman
Committee on Foreign Relations
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

Thank you for your letter of 9 June 1978 enclosing questions which Senator Stone submitted following Agency testimony before your Committee on 8 June on the terrorism bill.

Senator Stone was interested in the sources of funding for the various Palestinian Liberation Organization groups. You will find our response in the enclosed memorandum. I trust it will be helpful to Senator Stone and the Committee.

Yours sincerely,

/s/ Stansfield Turner
